

# A landmark in the history of PPSC

With immense pride we announce that 'Hindustan Times' has listed us in the **TOP TEN SCHOOLS** in Mumbai, East.

Having been ranked at **No. 7**, we dedicate this achievement to the entire teaching/non-teaching staff of our school and above all our dear students and parents who have always been partners in all our endeavors.

*This is just the beginning...*

“The HT Top Schools survey makes sure we are on the right track. What is important is to see how a particular school is different from others. The happiness quotient and teachers play a huge part. Teachers are the most neglected lot in society. But this survey considers all aspects,” said Dr Madhura Phadke, principal, Pawar Public School, Chandivli.
